See below for quick tips on joining the meeting from a computer, your mobile app, or telephonically.

Important: For participation confirmation purposes, when you join the meeting, make sure the display name is your actual first and last name. The Zoom sessions may have a waiting room function and your name is important so the session organizer can let you into the meeting.

On your computer or on your mobile device using the Zoom application:

- Open the Zoom desktop (or mobile) application

- Enter the **Meeting ID** from the RI schedule
- Please make sure the display name is your actual first and last name. Rename if needed.
- Select if you would like to connect audio and/or video
- Click **Join**

 - +1 312 626 6799 (Chicago)
 - +1 669 900 6833 (San Jose)
 - +1 346 248 7799 (Houston)
- On your phone, dial the teleconferencing number.
- Enter the **Meeting ID** from the RI schedule when prompted using your dial pad.

On your computer, from the browser:

- Open your browser, e.g., Chrome, and go to <https://zoom.us/join>
- Enter the **Meeting ID** from the RI schedule
- Make sure the display name is your actual First and Last name. Rename if needed.
- Select if you would like to connect audio and/or video
- Click **Join**
 - If this is your first time joining from a browser, you may be asked to open Zoom or the Zoom installer package. Follow prompts to open/install.

Bonus tip: Notice that you can just swap the digits in this URL with the **Meeting ID** to join a meeting: <https://zoom.us/j/MeetingID>
